

We are thrilled to announce that our law firm has been awarded First Prize in the "Services" category at the 18th IN Business Awards. This prestigious recognition, celebrating over sixty three years since our establishment, highlights our strong presence in Cyprus and abroad, and reaffirms our commitment to providing exceptional legal and corporate services.

This achievement would not have been possible without the dedication, expertise, and teamwork of our talented staff, as well as the trust and support of our partners and clients. We extend our heartfelt gratitude to everyone who has contributed to our success over the years. Thank you for being part of our journey!
